Dear All,

Greetings from Dalmia Bharat Foundation.

We trust this note finds you well. It's with great pleasure that Dalmia Bharat Foundation (DBF) Team reflects on the incredible journey undertaken in the third Quarter of FY 25, and we are thrilled to share our collective achievements through the pages of our Quarterly CSR Magazine - Parivartan

Team DBF,
Lanka

02. Backyard Poultry

- A total of **6,000 chicks** were distributed, with **each beneficiary receiving 10 chicks**.
- Each household is expected to **earn an annual income of Rs. 15,000** through this initiative.

03. Goat Breeding Unit

- **66 households** were provided with three goats each to support their livelihood.
- Each beneficiary is expected to **earn an annual income of Rs.20,000**.

04. Goatery Management

- **Five camps** were organized, during which 508 goats were vaccinated, dewormed, and provided with liver and iron supplements.
- **140 households** were benefited.
- This initiative aims to improve the health and productivity of the livestock.

05. Training on Scientific Duck Rearing

- **299 participants** attended the Scientific Duck Rearing training, designed to equip them with modern techniques for efficient duck farming.
- The training covered key topics such as breed selection, feeding practices, housing, disease management, and sustainable methods to enhance productivity and profitability.

06. Capacity Building of SHG Women

- **127 women** from the Ramdhenu Village Level Federation (VLF), Akata VLF, and Baituntha VLF participated in three training sessions on fish farming, bamboo-based handicrafts, and backyard poultry.
- The training aimed to empower women with sustainable livelihood skills and promote eco-friendly practices.

07. Demonstration of Bamboo Harvesting Technology

- **Seven training sessions** and demonstrations on bamboo harvesting techniques were conducted.
- **175 participants** attended these sessions to enhance their skills and knowledge in sustainable bamboo harvesting practices.

Population

The Gram Parivartan Program was launched with the aim of providing livelihoods that are economically sustainable, ecologically responsible, and socially equitable. The objective is to foster sustainable economic progress within selected communities, where household chosen for participation is expected to achieve an additional annual income of Rs. 1,00,000. This can be achieved through individual or group interventions and can function independently or converged with government programs.

Nurturing Futures: Empowering Youth Through Skill Development

Skill development of rural youth plays a vital role in unlocking their potential and creating avenues for a brighter future. By providing tailored training programs and workshops, we equip them with the tools to excel in various trades and professions. This not only enhances their employability but also empowers them to contribute effectively to their communities' growth and development.
